

Quick Guide

Secrets of the Book of Creation

This is a short guide which explains how we progress in this special course.

1. We will begin the course by introducing
"The Book of Creation" - **Bonus 1**

What should I do with the Book of Creation?

The Book of Creation is a code and formula book,
Simply brows through the book a few times
and then put it aside.

2. *"Spiritual Coaching"* book - **Bonus 2**

This book is a preparatory book.

It will prepare you for the practical work and for performing a
quick breakthrough.

What should I do with the spiritual coaching book?

Simply read it and enjoy it, it will do the work for you.

3. Then, download *"The Complete Guide
to the Secrets of the Book of Creation"*

What should I do with the Complete Guide?

Read carefully more than once until you understand
the root of the matter.

Perform all tasks and take the medications
as specified in the book.

4. The next day download the *"Lous-Yoga Meditation"*.
You will find a downloadable file,
and audio files on the website.

What should I do with the meditation?

During the first several days, listen to it several times,
Then play it every day, at least once a day, for 40 consecutive days.

The consecutively is a key factor here.

The meditation will help you to improve your skills,
And especially to write down the new address with your goals
in your subconscious.

Thus we shall complete our entire training program.

And as for the questions that arise?

For any question, please contact us at

louskycollege@gmail.com

Unfortunately, we cannot answer questions telephonically
because everything must be documented.

In addition, all questions and answers are
also collected for others.

Please make sure you send us questions only via email.

Good luck.
